H.R. 5107 - Common-Sense Law Enforcement and Accountability Now in (CLEAN) DC Act of 2025
Sponsored by Rep. Andrew Clyde (GA-09)
RPC Region 6

Bill Summary:

This legislation would repeal sections of the District of Columbia (D.C.) Council's Comprehensive Policing and Justice Reform Amendment Act of 2022.

Policy Background:

The Comprehensive Policing and Justice Reform Amendment Act of 2022 placed restrictions on D.C. Metropolitan Police including limitations on restraints, lack of access to body-cam footage for incident reports, removal of all officers from the Police Complaints Board, and barriers to using riot gear and less-lethal projectiles.

In 2023, the House and Senate passed H.J.Res. 42 disapproving the Comprehensive Policing and Justice Reform Amendment Act of 2022. President Biden vetoed this legislation and the House failed to overturn the veto.
